Exclusive Negotiating Agreement – Old Marshall School, 2718 G Street
March 15, 2018

I. Overview/History of Department or Program

The California Department of Education approved the District's waiver request to "waive all or portions of California Education Code sections specific to statutory provisions for the sale or lease of surplus property" for the Old Marshall School property located at 2718 G Street. In conjunction with counsel, staff has prepared an Exclusive Negotiating Agreement to allow the developer, Mogavero/Bardis, to conduct its due diligence in support of the proposed project. The due diligence time period allows the developer the opportunity to more fully investigate the site to determine the feasibility of continuing with the proposed project. If, at the end of the due diligence period, the developer opts to continue pursuing the project the developer and the District would negotiate a Property Development Agreement outlining terms and conditions moving forward.
