Students

The Governing Board is committed to addressing the safety needs of all students, including those needs related to a student's actual or perceived sexual orientation or gender identity. The Board recognizes that a safe and civil environment is anticipated every situation and the unique needs of each student must be assessed on a case-by-case basis. In all cases, the goal is to ensure the safety, comfort and healthy development of the transgender or gender variant student while maximizing the student's social integration into the school setting and minimizing stigmatization of the student.
