percent, which is formidable seeing that the District is a half a billion dollar organization.

10.2 Update on Progress Toward State Auditor and FCMAT Recommendations to Revise Board Policy (BP) 3100: Business and Noninstructional Operations (Budget Reserves and Use of One-Time Funds) (Rose F. Ramos)

**First Reading  
(Information)**

Chief Business Officer Rose Ramos presented and explained that the current required percentage by law and Board policy is two percent. BP 3100 would increase that to five percent. Ms. Ramos went over the benefits of an increase to the reserve percentage and the dollar amounts such an increase would represent. She also went over the proposed use of one-time funds and the benefits of a Board policy and clear guidance on one-time funds.

Board Comments:

Member Garcia asked what will be the plan to get the reserve to five percent. Ms. Ramos answered that this is a goal; first the deficit will need to be met. This, however, puts a policy in place which sets what the District wants to achieve. Member Garcia said that she feels it still is important to have a plan in place to meet the goal once we are out of the deficit situation.

Member Murawski thanked Ms. Ramos for her focus on this issue. She spoke about the state budget reserve, how within education other Districts have reserved around 15 percent on average, and the importance of having adequate reserves. She feels five percent is a very reasonable number for the size of this district. She suggested a delayed implementation be included in the policy language as she feels this cannot be implemented within the next two years. She made suggestions on language for the one-time funds: as to what funds they are, what we fund with them, and when they run out. She also suggested that we create a process with a form that shows this information.

President Ryan thanked Ms. Ramos for bringing this matter back before the Board. She does not want us to lose sight of this because of the fiscal crisis we are in currently.

10.3 *May Revise Budget Update and District's Fiscal Recovery Plan*  
(Rose F. Ramos)

**Information**

*Chief Business Officer Rose Ramos, Leilani Aguinaldo from School Services of California, and Chief Continuous Improvement and Accountability Officer Vince Harris presented. They gave an update from School Services of California on the State budget and presented the impact of that on the District's projected multi-year projections. They also reported on District cash in 2020-21 and 2021-22 and the fiscal recovery plan. Tammy Sanchez, Chief Business Officer from the Sacramento County Office of Education, presented as well.*

*Board Comments:*

*President Ryan asked Ms. Sanchez if there are steps that the District can take to avoid receivership. Ms. Sanchez said that yes, it is not too late and that the District can still make cuts in time to put off or maybe completely eliminate the need for a State loan. Hopefully there will be more federal money; however certainly what the District gets from the federal government is not enough to solve the problem. It might push it out a few months. Ms. Sanchez said to start with the \$27 million that we know about and then add on the amounts that the District will get next month when we get the adopted budget, as there will then be a new number to try and reach with the cuts from the May Revision.*

*President Ryan asked, as we have very little room for cuts and seeing the challenging May Revision numbers, what is our timeline to be able to arrive at the negotiated saving necessary to prevent us from being pushed over the fiscal cliff. Ms. Sanchez said that there is enough time until the District runs out of cash; the county administrator does not get assigned until the loan is funded. Therefore, there is a short period of time to make these cuts and get them implemented in time to avoid this, but once the loan is funded there is nothing more that can be done to avoid receivership.*

*Member Garcia asked about tools that are available for school districts, including the exemption from deferrals for hardship reasons. Ms. Aguinaldo replied that this is a flexibility that is proposed at this point in trailer bill language and is for the 2021 fiscal year.*

*Ms. Sanchez said if the District could use this exemption in its best case scenario, cash would be depleted in July instead of April. Member Garcia asked if the \$57 million deficit number includes STRS and PERS projected savings of \$6 million and \$5.6 million. Ms. Ramos said that it does not because the details were not yet available.*

*Member Garcia also asked if there are other opportunities within interfund borrowing on a short term basis. Ms. Ramos said it is just*

*like a short term loan and generally has to be paid back within the same fiscal year. Member Garcia said it would be helpful going*

*or resolved in some way. Where we sit now is that, per FCMAT and the state auditor, the District is in trouble. To deliver a full suite of high quality services to every child in the District will continue to be a struggle because that will take a healthy organization where all leaders of the organization are on the same page with what they are doing and how they perceive when budget should help or hinder reaching that goal. Superintendent Gordon said that the County is here to stay alongside the District to help keep verifying the numbers and see what the District's options are, but he feels it is the collective will of everyone involved in the organization that will make it happen.*

*President Ryan said this will be the source of much discussion within the coming weeks and months, and we will do everything in our power to make sure we are keeping the public informed. She said we are in the process of trying to put in place a couple different formats of town hall in order to do a deeper dive into the budget decisions.*
