I. OVERVIEW / HISTORY

Action Proposed:

District Staff recommends approval of the initial charter petition for Growth Public Schools (GPS) for five (5) years beginning July 1, 2017 until June 30, 2022.

History:

The Petition proposes to establish a charter school to serve 112 students in kindergarten through first grade in the 2017-2018 school year, and expand over the subsequent eight (8) years to serve a total of 619 students kindergarten through eighth grade by the 2024-2025 school year (Petition, p. 26.). Petitioner intends is to create “one of the most innovative schools in the country,” by utilizing a mix of personalized learning, project based learning, and off-campus “expeditions” (Petition, p. 8; Appx. (J).). Petitioner does not currently operate any charter schools in the District.

On May 16, 2016, the Sacramento City Unified School District (“District”) received a charter petition (“Petition”) from Growth Public Schools, Inc., a California nonprofit public benefit corporation (“Petitioner”). The Petition proposes the creation of the Growth Public Schools Charter School (“Charter School”) for a term of five years, from July 1, 2017 through June 30, 2022. The District held a public hearing on June 2, 2016 so that the District’s Governing Board (“Board”) could consider the “level of support for the petition by teachers employed by the district, other employees of the district, and parents” (Ed. Code, § 47605, subd. (b).). Board Action on August 18, 2016 extended the timeline for staff’s findings and recommendation to September 1, 2016. Sacramento City Unified School District received Amendment 1 to the Petition from Petitioner on August 19, 2016.

II. DRIVING GOVERNANCE

The Charter Schools Act of 1992 (“Act”) governs the creation of charter schools in the State of California. The Act includes Education Code section 47605, subdivision (b), which provides the standards and criteria for petition review, and provides that a school district governing board considering whether to grant a charter petition “shall be guided by the intent of the Legislature that charter schools are and should become an integral part of the California educational system and that establishment of charter schools should be encouraged” (Ed. Code, § 47605, subd. (b).). Specifically, the governing board may not deny a petition unless it makes written factual findings setting forth for specific facts to support one, or more of six findings:
