President Pritchett also asked if there is 100% teacher participation. Ms. Baeta said that, as far as we can tell, not all teachers are engaging with e-learning. She shared additional connectivity that principals are utilizing.

Member Murawski thanked all staff for their work. She asked if the data findings will be made public and how often updates will be available. Superintendent Aguilar responded

and said he can only commit that data can be released once quality control has been done for each of the metrics. Member Murawski asked about what is being planned for high school seniors. Superintendent Aguilar gave information on tentative ideas and plans, and Mr. Harris, Ms. Baeta, and Chad Sweitzer, Instructional Assistant Superintendent, added some comments as well.

Member Vang thanked staff for their work. She asked about the logistics of distributing the daily student engagement survey. Ms. Kretschman described the plan. Member Vang said she would like to know at the next Board meeting how the District has identified who are essential workers and how many staff members are working remotely and on site.

Member Vang asked about almost \$16 million dollars that she read the District received from the Federal stimulus to support COVID-19 response efforts. Superintendent Aguilar said that this will be discussed later in the budget presentation.

Vice President Pritchett made a motion to approve all three resolutions. Member Woo seconded the motion, which was unanimously approved.

was done in the past and explained the effects of a second relief package from the federal government.

Member Vang thanked the presenters and expressed concerns. She asked how Board members can be a voice in how the state determines spending. She noted that receiving COVID-19 relief dollars in 2021 is not about relieving the District deficit.

Vice President Pritchett thanked staff for the presentation and Superintendent Gordon for attending. She asked what fund was used to purchase student Chromebooks. Ms. Ramos said they were initially purchased with bond funds as an emergency measure, but the bond fund will be reimbursed with relief money.

Member Murawski said this information is sobering, and she agrees with Member Vang's comments that the Board needs to advocate with the state. She asked what the process will be if many other districts enter receivership. Ms. Aguinaldo

understands this possibility and what the hazard is in the decisions that they are making. Member Murawski asked what the District is doing to save money immediately, knowing that this is going to be very challenging, and when will choices be presented to the

Member Murawski thanked Ms. DeSpain. She said she is shocked by the Kaiser numbers and asked if she said they are based on experience rated and not related on COVID-19. Ms. DeSpain said that is correct, and she gave the time period. Member Murawski asked if the year after year increases are reasonable. Ms. DeSpain said there was an increase in pharmacy, in-patient utilization, longer days in hospital, costing claims while in hospital, and in out-patient. Member Murawski noted it was said in the presentation that they did not want to come down in cost because the District is paying 100% of the cost. She asked if this means their market share is not going to change based on their price.

Ms. DeSpain said that typically where Kaiser is going to compare
