that we are not inventing something new here. She said we are probably the last district in the region that is not back to five days a week, and it is important to move in this direction.

President Pritchett said she believes this Board wants nothing better than to have students back in school five days a week full time. She said we need to look at what other districts are doing. She said parents are looking to move their children to other districts because of what is happening right now. She said we need to go to three feet of distancing and bring students back full time.

negative audit, the bond sale has to also be processed by the county. Mr. Scott said that is correct and also that the bonds will have to go to a rating agency. President Pritchett asked when the District last had a sale of this bond. Mr. Scott said it was in 2019.

Member Garcia asked at what point does the Board see a project list associated with these remaining bond dollars. Ms. Ramos said there is a project list that will be shared soon.

Board Comments:

President Pritchett proposed the following amendment to Resolution No. 3203: to insert a new “whereas” clause that states

“whereas the Board considered the Parent Participation Preschool Program and the commitment of parents to enroll in sufficient numbers to make it self-sustaining and determined to rescind an additional 2.0 fte layoffs in this area and remove the name Paula Von Lahr and Tamara Toby from Attachment C”.

Member Garcia said she will support the amendment. She asked which enrollment number was used in terms of where we are today. Ms. Ramos addressed the assumptions used that were sent to sites in December. Member Garcia said she is glad to hear that the average number, in terms of declining enrollment, was used. Member Garcia then asked for an attrition timeline. Ms. McArn explained that retirements and resignations happen year round. Member Garcia asked Ms. Ramos to speak more about funding for rescinded layoff notices. Ms. McArn noted, as an example, that President Pritchett cited additional funding which would allow for two fte to be rescinded. Ms. Ramos said that is correct and also gave an example of a grant that has expired of which the District has not yet been notified that it will be renewed. Another example given was that sometimes funds have not been fully expensed statewide and then there is a reallocation. Ms. Ramos said that projections, however, are primarily based on enrollment decline. Member Garcia asked how the fiscal recovery plan relates to this. Ms. Ramos said that they are two separate things, and she explained.

President Pritchett moved to adopt Resolution No0rin.ewnei2(on0(t)-2(o)-2(oMpi-5(e.t)-6(o)-4(To
