Recommendation: RESOLUTION OF THE BOARD OF EDUCATION OF THE SACRAMENTO CITY UNIFIED SCHOOL DISTRICT TO DETERMINE THAT AN EMERGENCY EXISTS, THAT FORMAL BIDDING OF THE REPAIR WORK AT LUTHER BURBANK HIGH SCHOOL IS WAIVED, AND APPROVING STAFF TO PROCURE A CONTRACT FOR REPAIR

Background/Rationale:

The January 2023 severe rain and windstorms caused a tree to fall on classrooms J1 and J2 at Luther Burbank High School resulting in significant exterior and interior damage to the buildings and surrounding area. Immediate action was taken to secure the building, but further exigent repairs are required to fully remediate the damage and make the building and site safe and secure. There is not sufficient time for informal bidding to secure a contract to perform the Repair Work without delaying or interfering with the essential public services provided by the District and/or increasing the likelihood of damage to persons and property. The District believes that pursuing a contract without bidding pursuant to Public Contract Code sections 22035 and 22050 and based on futility is warranted

Each following board meeting, staff shall provide an update on this repair, including an amended resolution authorizing the contract for repair with contractor. This update will continue until the emergency is no longer in place
