Recommendation : Approve Resolution No. 3030: Recognition of Attendance Awareness Month, September 2018.

Background/Rationale : This year SCUSD launches our “Be HERE” campaign to educate our families about chronic absence and the importance of good school attendance. Students not reading well by 3rd grade are four times more likely to drop out of

high school. That’s why we have to work together to get our kids to school every day and on time. This is a joint effort with our students, families, schools and our community

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION

RESOLUTION NO. 3030

RECOGNITION OF SEPTEMBER 2018 AS ATTENDANCE AWARENESS MONTH

WHEREAS, Sacramento City Unified School District's Guiding Principle of Equity Access and Social Justice strives to ensure that all students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options;

WHEREAS, good attendance is essential to student achievement, graduation, and lifelong success, and we are committed

WHEREAS, chronic absence can be significantly reduced when schools, families and communities work together to monitor and promote good attendance and address the barriers that keep children from getting to school

NOW, THEREFORE, BE IT RESOLVED that the Sacramento City Unified School District Board of Education does hereby proclaim that our school district will stand with the nation in recognizing September as "Attendance Awareness Month." We hereby commit to focusing on reducing chronic absenteeism to give all children an equitable opportunity to learn, grow and thrive academically, emotionally and socially.

Specifically, we shall

1. Raise public awareness and concern about the toxic impact of chronic absence through our youth-led Be HERE! Campaign
2. Encourage broad community engagement and sustained civic action to help families get their children to school every day
3. Partner with local organizations like WALKS Sacramento and City Year Sacramento to have school-based attendance interventions
