June 25, 2020 Public Comments

Comment Good Evening Board President Ryan, Superintendent Aguilar and members of the board. Thank you for the opportunity to submit public comment. This process sucks and length of my comments submitted will not be read. Please look to improve the process. I would like to express my appreciation for Principal Kirkland of Hiram Johnson. Thank you for bringing in someone that is willing to do the next level things/efforts that truly get results for the most needed help families. He is on his campus day in, day out, all day , all night. He is available. Many don't understand that is a part of getting positive outcomes. He has shown he is going to do the work and put in the time. He does lead by example. I am thankful, grateful, nothing but positives. He does his job. He is there for his families, students. Johnson needed a leader and we finally got one. It has been a tough year and we got a lot of work to do at Johnson and that is ok for me as long as Principal Kirkland is leading the way. Thank you Principal Liemthongsamout, Mr. Washington, Mr. Singley, Ms. Sims, Ms. Fragata, Coach Brisco, Mr. Oltmans, I am missing many others. Thank you for welcoming us to the school community. We appreciate you all! WARRIORS!
