Submission of the Provisional Internship Permit

- The Provisional Internship Permit is being requested for the following Education Specialist teacher as she completes her requirements for an Intern Credential:
 - Tyler Tutt – Education Specialist

Submission of the Provisional Internship Permit request for Certificated Employees

- This permit will enable the teacher to continue her service to our District and the students in her Special Day Class and allow her time to meet the Intern eligibility requirements set forth by CCTC.
- Given our current state of Distance Learning, approving this permit application will afford the District to maintain consistency of the teacher from last year in a hard to fill position.
- Staff recommends approving this permit.
