<b><u>CHILD DEVELOPMENT DEPARTMENT</u></b>		
A15-00073.1 Sacramento Employment & Training Agency (SETA)	8/1/15 – 7/31/16: Amendment to grant funding applications for Head Start and Early Head Start Programs approved at the March 19, 2015 Board meeting. The Child Development Department enrolls and serves 1,211 children in Head Start and 144 children in Early Head Start. Children are served in part-day and full-day Children's Centers, Infant/Toddler and Home-Based Programs. Children ages 3-5 enrolled in the Head Start Program receive comprehensive services, including mental health and health screenings. Families are encouraged to enter into partnership agreements to set family goals. Goals include completing school, seeking new employment opportunities, nutrition education, and learning child development strategies. Early Head Start serves pregnant teens and children ages 0-3 years. Social workers, registered nurses, and other health professionals provide direct services and referrals to program participants. Upon submission and approval of Child Development's grant funding application for Head Start/Early Head Start, the SCUSD Board of Education authorizes SETA to serve as the grantee, and if awarded, authorizes the Chief Business Officer to execute the sub-grant agreement with reasonable modifications and any other documents required by the funding source.	\$8,635,832
