2016-2017 continue the positive theme that has existed over the
education. As the economy has improved, and been aided by the additional
provided by Proposition 53, and repayment of the maintenance factor
able to advance his agenda with authority for public education. This great
unified School District (SCUSD), especially since SCUSD in a budget
2003 school year. From 2003 to 2013-14, the district has reduced
venues, or used one-time funds for a total of \$150 million dollars to
last year (2014-15) was the first year in several years that SCUSD did not
last time since 2007-08 that positive certification was presented to
of Education

previous years was caused primarily by a reduction in state funding with
reased employee costs and declining enrollment. Calif LEA's
duction in revenue limit dollars in that the revenue limit was a deficit
early acknowledged that the growth in education budget was warranted
t the cut to education were much deeper than other areas of the State
to restore funding to public education is greatly appreciated.
en made to all employee groups, supplies, services, utilities, and capital
the Education Authority's senior office staff, the many years ago. Return to budget

2016-2017 Budget Update

January 21, 2016

- x The Governor took great pains to explain the relationship between state revenues, particularly capital gains revenues, and ongoing state expenditures. He asserted that even a moderate recession could quickly produce huge deficits in the State Budget. As a result, the Governor plans to make major additions to the Rainy Day Fund.
- x The Budget tells state
