Budget Review Committees.

Waiver of Budget Review Committee

- With budget disapproval, the Sacramento County Superintendent must call for the formation of a Budget Review Committee unless the governing board of the district and the County Superintendent agree to waive this requirement.
- Waiver must be approved by District Board and submitted to the County Superintendent for approval.
-

Budget Review Committee vs. Waiver

Budget Review Committee

- Budget Review Committee (BRC)
 - Pros
 - One of two options the Board can consider
 - Cons
 - Not common practice with the CDE, i.e. CDE does not have an existing Budget Review Committee list and would have to form one
 - Budget Review Committee has a very short timeline, thus not allowing the District to capitalize on ability to work with labor partner and other stakeholders between now and December 14, 2018 First Interim Report and Balanced Budget deadline
 - Ed Code does not require that we have access to the SCOE

Recommendation is for Board to approve the Waive
of the Budget Review Committee
