**Recommendation:** \_\_\_\_\_

waiver requests for special education students who have passed the test with modifications.

The Board of Education of Sacramento City Unified District approved a waiver process for special education students passing the CAHSEE with modifications on January 19, 2006. The district's approved process established the following steps:

- 1) Special Education student's IEP team meets and formalizes appropriated instructional accommodations and/or modifications for the student
- 2) Student takes the CAHSEE with modifications in English-Language Arts (ELA), Math, or both
- 3) Student earns an equivalent of a passing score in the ELA, Math, or both parts of the CAHSEE with modifications
- 4) School site of the eligible student completes and submits the waiver request to the high school principal
- 5) After the student's academic counselor and high school principal certify that all the

requirements for the waiver request are met, the Assessment, Research & Evaluation Office prepares and reviews the waiver packet with the eligible student's principal

- 6) The petition for waiver is prepared and presented to the Sacramento City Unified School District Board of Education for approval
