

In 2009, Language Academy of Sacramento (LAS) applied for the Charter Schools Facilities Program from the State Office of Public School Construction.

LAS was awarded funding from the Charter School Facilities Program in 2010:

New Construction, \$6,662,240

Rehabilitation, \$1,878,376

Unfunded due to State budget until February 2011.

LAS proposes:

Moving the State Facilities grant from
Fruit Ridge to Marian Anderson

Long Term District Agreements

District agrees to allow LAS to rehabilitate the portables and build new facilities at Marian Anderson campus

District agrees to allow LAS use Marian existence.

Long Term LAS Agreements

LAS agrees to incur approximately \$4.2 million loan from the State, which will be for 30 years.

services

and operations services

LAS agrees to collaborate with the District in developing an autism or other innovative program at Marian Anderson
