Comment Is this an insult, a joke, or both? Enormous cuts have been on the table for teachers during a staffing crisis that is causing students to be lumped into the auditorium and bahysat at pretty much every local high school. Mr. Aguilar was responsible for the first

teacher strike in thirty years. Students are STILL on the waiting list for independent study due to poor planning at the highest levels. Johnson has made the news for being in disarray due to violence, and this gladhanding hack shows up with a big check for athletics? The teacher contract is two years out of date. The lawyers' fees keep going up. The district has RIGHTFULLY COMPLETED THE AGREEMENT FOR AGUILAR ON SACRAMENTO UNIFIED SCHOOL DISTRICT

each and every student to contribute to the betterment of our community and improve

student learning outcomes. I hope the roll out of the state seal becomes a unifying effort
