SCUSD's current LCAP goals were first developed in 2013-14. The next three-year LCAP will begin in 2021-22 and last through 2023-24. The proposed goals for this new LCAP build upon the old framework and align to the district's Core Value and Equity, Access, and Social Justice Guiding Principle.

### Draft 2021-22 to 2023-24 LCAP Goals

Every student will graduate college and career ready with a wide array of postsecondary options and a clear postsecondary plan. Growth in Graduation Rate and College/Career Readiness will be accelerated for Students with Disabilities, English Learners, African American students, Foster Youth, Homeless Youth, and other student groups with gaps in outcomes until gaps are eliminated.
