

Communication Opt-Out Form

Sacramento City Unified School District uses ParentSquare to communicate with parents and guardians. This includes emergency messages as well as information closely related to the school's educational mission. You will receive notifications via email, text, voice call, and posts from the ParentSquare mobile app and ParentSquare portal, depending on the contact information you have in Infinite Campus (our Student Information System). Parents are automatically registered to receive notifications when they enroll their student. *Please note that standard text messaging rates may apply for all text messages.*

To opt-out of receiving notifications, you can fill out and return the form below to your school office.

You can also opt-out of:

- Emails: Click the Unsubscribe link in any email you receive.
- Text Messages: Click the Opt-Out link in the first text message you receive from ParentSquare. You can also reply STOP to any subsequent text you receive.
- Phone Calls: Fill out this form and provide it to your school's main office staff.

If you are not a parent or guardian and are receiving notifications in error, please contact us at communications@scusd.edu.

**Note that even if you opt-out of receiving communication, you will still receive notifications for emergencies and other school information deemed important.*

Please return to your school office

Please update my communication preferences as indicated below. I understand that even if I opt-out of receiving all communication, I will still receive notifications for emergencies and other school information deemed important.
